Connect with real members using the Career & Graduate School Network

Moving to a new city? Trying to choose a grad school? Not sure about your chosen career field? Have no fear, Mortar Board members are here...well, everywhere really.

Using a list of career codes, your zip code and potential graduate schools, the Mortar Board National Office can put you in touch with a helpful member. The Career & Graduate School Network, made up exclusively of members who have chosen to assist others in need, is maintained by the National Office staff.

Although the system requires the effort of calling 1-800-989-6266 or e-mailing mortarboard@mortarboard.org with specific information, being put in touch with an actual member is often priceless. Upon contacting the National Office, you will be provided with a list of members who fit your search criteria, if available. Likely, you'll find a mentor, friend or simply some honest advice.
