

Mortar Board, Inc.

National College Senior Honor Society

Scholars... Chosen for Leadership... United to Serve

To Whom It May Concern:

We write to express our gratitude to you for supporting the Mortar Board chapter at your institution. Mortar Board has honored scholarship, leadership and service of outstanding college seniors since its founding in 1918. As a national organization with 228 chartered chapters, Mortar Board has more than 250,000 members and alumni across the country and the world.

Mortar Board takes pride in knowing that its chapters select the brightest and strongest scholar-leaders annually during the spring of the candidates' junior year. To be eligible for membership in Mortar Board, candidates must be in the top 35 percent of the junior class. Chapters are held to this national standard, with rare exception, to maintain the integrity of the academic requirements of Mortar Board. Thank you for assisting your Mortar Board chapter in determining the GPA that denotes the top 35 percent of this year's junior class and which students meet that standard. We are also grateful for your assistance in helping the chapter ensure that all of these students are aware that they are eligible for selection to Mortar Board.

Once the threshold of academic excellence is met, Mortar Board reviews candidates for stellar leadership, motivated service, and meaningful participation in the life of the campus and community. Mortar Board, a true honor society, expects that its members, once selected, will fully contribute to the life of the chapter and the institution.

If you have any questions about Mortar Board as a national organization, the local chapter or our scholarship standards, please feel free to contact either of us at the Mortar Board National Office.

Thank you for contributing to the success of Mortar Board on your campus!

Sincerely,

Jane A. Hamblin, J.D., CAE
